8 TIPS FOR NUMBER REGISTRATION

CHECK YOUR CLASS

Double check the number range for the class you will be racing. Also double check your class some classes have changes for the 2024 season. If you choose a number outside your class range or the wrong class this can delay your number approval process.

FIRST COME FIRST SERVE.

Numbers will be assigned in the order they are received. We will announce a specific time number registration will open. Make sure you try and submit your choices as soon as it opens.

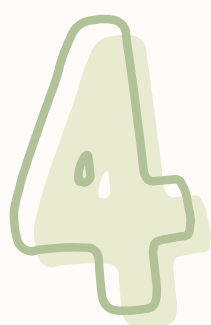

CHOOSE 3

For a smoother number registration process make sure you put your top 3 number choices, in order of preference, just in case your top choice is already taken. You can also check number availability online see Tip 8.

BIKE NUMBERS 1-15

Numbers 1-15 for the main event are reserved for the top 15 finishers of the 2023 season.

TOP FINISHERS

If you placed 1st-5th over all in the 2023 season you must race the AA class. If you placed 6th-10th overall you have to race the A class. If you won your class you must move up a class for the 2024 season.

NUMBERS RESET

Numbers reset every year so you must submit your number in order to secure it.
